

Some Potential Plutonian Experiences with Planets (Positive and Negative)

Patricia Walsh – Norwac 2021

Pluto – Sun

Intention – Creative self Actualization

Being recognized (or not), Giving/ receiving love/ Heartlessness, loss of love, Creative expression / Narcissistic vacuum, Taking charge of own reality/ Being over-run by others, Children and creative projects/ Not acting or forming the way you want them to. Loss of /or Deeping of personal authenticity. Personal power – vs- others power.

Pluto- Moon

Intention – Emotional Renewal

Emotional intensity (volcanic states)/ increased emotional sensitivity, pain of, or fear of, loss/betrayal/abandonment, Becoming conscious of deep unconscious childhood ‘imprinting’, Past life residues surfacing – ‘irrational’ affect, depth emotional psychology (contained psychological catharsis), re-forming ‘personal history’, obsessive states, emotional deception, manipulation/control, power struggles – deep emergence of personal emotional strength (emotional self security)/ emotional intimacy. Mother/Child issues / Inner child experiences.

Pluto – Mercury

Intention - New Ways of Thinking/ Self expression (Gemini) – Personal Improvement (Virgo)

(Gemini –outer side) Forming new ways of thinking, mental attitudes/ confrontation with others in realm of intellect, opinions (mutability –vs- fixed). Natural intellectual curiosity and physical travel/ becoming scattered disoriented. Compulsive thinking –vs- investigative/probing thinking, Siblings/ reforming old childhood attitudes, internalized beliefs, rivalries. Development of own ‘way of thinking’. Exposure of own or others duplicity (untruths).

(Virgo- inner side) Personal Improvement/Self-Analysis bringing deeper awareness / Self-Doubt, Hyper-critical (Positive critical thinking – vs- negative critical thinking). Bringing order out of chaos / sinking into crisis and chaos (Alchemical change). Improvement in physical health regimes/ illness, disease. Purification (on all levels) / overwhelm w/ toxicity. Neurosis.

Pluto – Venus

Intention – Transform ways of relating (Libra) – Transform relationship to self (Taurus)

(Libra – outer side) Magnetic, Karmic attractions leading to growth and completion of karmas/ or leading to repetition of old patterns (Karmic fog). New awareness of personal needs / Co-dependent patterns of ignoring own needs and ‘fixing’ others and conforming to others expectations. New relationships/loss of relationships. Obsessive relationships/ personal growth through osmosis with another.

(Taurus – inner side) Transformation of personal worth/ loss of personal worth and meaning, New found simplicity, abundance and ease/difficulty, struggle, especially in realms of possessions, money, personal resources. New found self-sufficiency – self-reliance/ ‘prostituting’ or degrading self (or others) to get needs met. Isolation/ digging deep in self.

Pluto- Mars

Intention – A new beginning – Self Discovery / Higher will–vs-Personal will. (Cardinal – New cycle of growth)

Instinctual self-discovery (new identity)/ Identity crisis and/or excessive narcissistic orientation to protect old identity, New found freedom, sometimes does need confrontation to get there / Confrontation with others or ‘arguing with the universe’ because of fear or restriction of freedom, New ‘boundary of self’/ anger at violation of boundaries and limitations, Renewed libido and trust in instincts/ impulsive action, rushing ‘head first’ just for the thrill of it.

Pluto – Jupiter

Intention – New Goals, Visions, increased ‘Intuitive knowing’- Personal Authenticity

Embracing new Philosophies, beliefs and cosmology/ Being dogmatic, Intuitive strength/doubts and fears blocked inner knowing, Renewed faith/ personal redemption, Fear of trusting, Fear of /or embracing new freedoms . Too rapid expansion with no integration, Seeking , Deeper Meaning of self and place in world. Re-locating/ Immigration Trauma.

Pluto-Saturn

Intention - New Chapter in Life (end of an era) – Owning own Authority (Maturing into Power)

New form and structures for own life – De-conditioning/ fear and constriction – control and not letting go, confined and limited by the past (conditioning), Personal discipline and self-responsibility/ crushed by responsibility – over-responsible, Reforming old attitudes – Self-Reflection, Psychological pruning / Being judgmental and intolerant (self and others), ‘Irrational’ fears, Cultivating empty space for new growth / Depression, futility, hopelessness. Integrity and personal congruence, renewed career and personal authority / Loss of career, confrontation or conflict with authorities, fall from grace. Old Regrets/ Regressive attitudes.

Pluto – Uranus

Intention – Liberation – Breaking Free

Breaking with past / irrational or useless rebellion, Sudden revelations, inspirations/ being flooded overwhelmed with input, addicted to external stimuli, Renewed passion for the future and ideals/ fear of future. Restlessness providing impetus for change/ erratic action, fragmentation, scattering. Altruism / Elitism. Community of like-minded others/ feeling outcast and on the fringes of groups.

Pluto – Neptune

Intention – Surrender and Merging with Source

New Dreams and Idealism / Disillusionment – things are not what they seem or you thought they were. Heightened imagination (psychism)/ fantastical imaginings, Holiness and Purity / Defilement and feeling tainted, unworthy, impure. Merging with the Numinous- Divine/ Loss of self thru lesser forms of escapism and dissociation. True Surrender into the flow/ Loss of self thru victimization, self-sacrifice, martyrdom. Experience of Oneness/ Aloneness and feeling lost. Feeling vulnerable/ voluntary or involuntary withdrawal.

Pluto- Pluto

Intention – Self-Transformation / Phoenix Renewal / Revelation of Life Purpose

Rebirth- Renewal / clinging to past, fear of change, mistrust. New desires, More freedom of choice/ stuck in limitations and stagnation, don’t want to let anything go (no choice). Empowerment/ Power struggles. Life choices (do or die) , Resurrection, Creation/ Destructive tendencies to self and others, Personal Growth / Limitations conscious and unconscious. Getting to the ‘Bottom Line’/ endless complications. Regeneration and Purging/ sense of death, doom and obsession with losses.
